Challenger Program

- Bob Wargo, who runs the Challenger Program with his wife, discussed the program and its perks for players and special needs children
- It is a flag football instructional program which is held every Sunday morning from 11:00am-12:30pm at Neshaminy HS which involves pairing a local high school football player with a special needs child teaching them the skills of football.
- Tries to stimulate high school football practices by stretching, breaking into & rotating into different stations, break time with pretzels & water & then break into 4 various games with adult supervision – younger & older kids are separated.

- Letters will be provided to students upon request for high school players by Bob & his wife.
- Banquet to be held on open field on 11/6/22
