President's Report

- We are currently having issues with getting volunteers to help out at our home games with the concession stand. We are unable to run our concession stand without volunteers so it's of vital importance for parents to please help out to continue running an awesome football program.
- If we can't get 6-8 volunteers to help out with grilling, setting the stand up, wrapping pretzels, burgers and hot dogs, etc. along with helping to sell items during the games then we will be UNABLE to run the concession stand.
- 9/20/22 is the Be Our Guest game which always draws huge crowds so please volunteer and help us be able to serve food and drinks to all of our guests!!!
- 10/8/22 game which is scheduled for 1:00pm at Truman High School might be changed to Friday, 10/7/22, at 7:00pm at Falcon Field. More information will be given closer to the date.
- 10/21/22 – Homecoming/Senior Recognition game, 10-15 volunteers needed for this busy night.
