Treasury Report: Tim Lentz

Current account balance is \$17,785.47. Nothing really big going on right now. The big thing that we voted on with the board was to no longer use Quickbooks because it was \$31.80 a month so its going to save us around \$382 a year and now use Excel for our budget. One of our big expense was the C-Box which cost around \$2,800 (We need a logo on it if anyone can help :)). Team meals cost us around \$7,500.

Just to give some contacts on where the money come from, last year we spend \$9,000 on concessions and that brought in \$22,700. Thats what really helps us from week to week. Also the program ads in 2022 we got \$7,300 and 2023 in ads we got \$6,100. This is a great way to raise money for the team and hit us businesses.

Coaches Report: Coach Snyder

The schedule is up on the website until May, almost finished with June/July/August. Just waiting for a few teams to confirm for scrimmages. Once that is confirmed it will be up on the website.

Camp will start the first week of August, Monday August 5th. The kids will have off the week before camp starts, the dates will be online.

All players must have a Family ID account and Physicals uploaded onto your Family ID account. Physical must be dated after June 1st, 2024 or it will not be accepted. Have to have it in or you will NOT get equipment on July 26th when it gets handed out,

Just continue to check the website and look at the calendar for updates. Will add Summer schedule.

Incoming freshmen (current 8th graders) can come workout with the team once the current school year is over. So once school is over in June, incoming freshmen can workout in June and July until camp starts August Monday 5th UNLESS they get asked to come to camp. This will be on the calendar also. Physicals must be completed for incoming freshmen also to be able to workout during the summer.

Just continue to keep an eye out on the website for games schedules. We have 3 Thursday night games and one Saturday game. Schedule will be posted.

Home games all players JV and Varsity will dress for the games, if away games ONLY the travel squad will go to the away games.

If they are doing another sport during off season and can't come to the weight room just let the coaches know in person or email.

****If your child wasn't able to attend the banquet we have their gift****
